

Next Meeting: 6:30 pm Thursday April 9th, 2009

What do you mean "You can't draw a straight line".... Next time we will be building some drawing tools to help you become the next great Architect, Draftsman or Inventor.

I think spring is finally here so get outside you lazy bums... Grab a trash bag and your parents and walk around the block. You will be amazed (or disgusted) at all of the garbage that has accumulated over the winter. Do this a couple times and you might just earn a service award....

Service Awards Available:

If you would like to earn a service patch and make someone feel better, volunteer at your school, church or other local service organization. If you volunteer and serve the community for 2 hours you will be eligible for a service patch and bar.
