

## Progress Towards Ranks– Pack 409

The Progress Towards Ranks Totem is a way to recognize the scouts achievements while he is earning his Rank Badge. (Tiger, Wolf, Bear, Webelos) The Progress Towards Ranks Totem was officially adopted by the Boy Scouts of America in 1986 but recently, the regulation award was re-called because of lead paint problems.

Cub Scouts are resourceful. Rather than “go without” we began manufacturing them ourselves. Our Progress Towards Ranks Program is open to all scouts as follows:

### Tiger Scout-

As a Tiger, whenever he completes a Family, Den, or Go See It activity, he earns a bead to place on his totem.

- A bead for each required 'family activity' part he completes.
- A bead for each required 'den activity' part he completes.
- A bead for each required 'Go See It' part he completes.
- A bead for every 10 Tiger Electives he completes after earning his Tiger rank badge.

### Wolf Scout-

For every three achievements completed by the scout as a Wolf, he will receive a bead. For every Arrow Point earned, (10 electives) he will receive a bead.

### Bear Scout-

For every three achievements completed by the scout as a Bear, he will receive a bead. For every Arrow Point earned, (10 electives) he will receive a bead.

### Webelos-

For every achievement completed by the scout as a Webelo, he will receive a bead.
